

Student View

The menus you have access to are determined by your user role in Vista Virtual School's Learning Management System (LMS). As a student, you will have access to the following menu items on the navigation bar:

- Content
- Resources
- Communication
- Grades
- My Teacher

The **Content** menu contains the following:

- Course Home** – the course home page.
- Table of Contents** – the course outline.

2. The **Resources** menu contains the following:

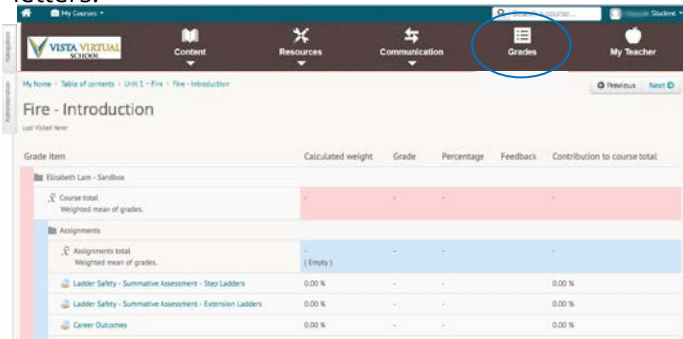

- Calendar** – a record of site, course, group and/or user events, including deadlines and chat times.
- Glossary** – a list of terms and definitions from the course. Depending on your teacher's preference, these may be modifiable only by your teacher or your class as a whole.
- Private Files** – an area for uploading and managing a set of your personal files.
- Help** – a link to VVS's help tutorials.

3. The **Communication** menu contains the following:

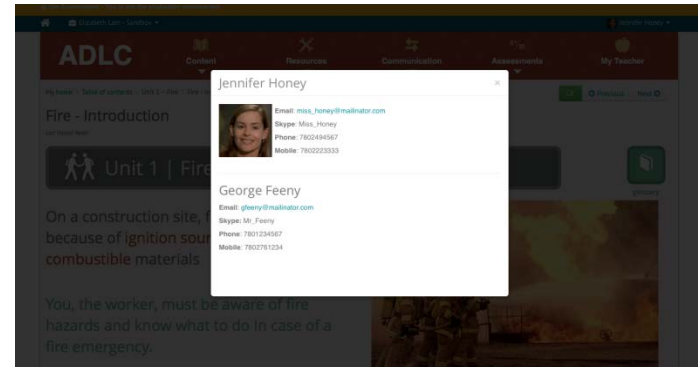

- a) **News** – a special forum for viewing general announcements from your teacher.
- b) **Forums** – an online discussion board where you can post messages to all participants or a select group of participants in the course.

4. The **Grades** menu displays your grades according to the grading system of your school district, which may be any combination of actual grades, percentages, or letters.

5. The **My Teacher** menu contains the contact information of the teacher(s) for the chosen course.
