

SCHOOL NAME: _____

Submission date for terminating the practice of having an alternate school year calendar in a school community is **January 14th**. Submissions are delivered to the Superintendent, or designate, for review prior to presenting to the School Board for approval.

7.1 If the suggestion to terminate an alternate school year calendar is for a school that does NOT have a transportation schedule that is interconnected with other schools in the division, and therefore the termination would have no impact on other schools:

- 7.1.1 The suggestion to terminate has originated with the school council
- 7.1.2a The suggestion to terminate is supported by 80% or more parents – as determined by a survey conducted by the school and school council
- 7.1.2b The suggestion to terminate is supported by 80% or more students (grades 4-12) – as determined by a survey conducted by the school and school council
- 7.1.2c The suggestion to terminate is supported by 80% or more staff – as determined by a survey conducted by the school and school council

7.2 If the suggestion to terminate an alternate school year calendar is for a school that has transportation schedules that are interconnected with other schools in the division:

- 7.2.1 The proposal has been developed by the school administration in collaboration with school council, the school board and system administration.
- 7.2.2 The division transportation department has confirmed that the suggestion to terminate an alternate school year calendar does not impede the ability of the department to effectively and efficiently manage transportation of students in both the traditional and alternate school year.
