

Student Participation in Web-Based Communication - Consent

The **teacher led and monitored** web-based communication event(s) listed below are part of a vital, healthy and functioning school. (Examples of Web-based communication may include, but are not limited to, Skype, Twitter, Snapchat.) All students are encouraged to participate in these activities but in order for them to do so we require parent or legal guardian permission. By choosing to take part in this activity, the student may be seen by a third party and the student may be identified on a first name basis throughout the presentation or communication event.

Student's Name: _____ **A.S.N.** _____

School	
Lead Teacher Name	
Group / Class	
# of students involved	
Date(s) of Event	
Communication Method (ie. Skype)	
Description of Web-Based Communication Activity or Event (Who, What, Why)	

Acknowledgement & Permission

I have read the above. I understand that by participating in the activity described above, I am assuming the risks associated, including my child being seen by a third party, and identified on a first name basis throughout the communication event.

I give consent for my child to participate in the web-based communication event described above.

Parent / Legal Guardian (Please Print): _____

Signature: _____ Date: _____

Student Signature: _____ Date: _____
(If 18 years of age or older)

Permission for use of any other student personal information not consented to above, will be obtained by one of the following forms:

[Form 3-46 – Student Information – General Consent](#)

[Form 3-47 – Student Information – Specific Consent](#)

[Form 3-48 – Student Creative Work – Copyright Release](#)

Refer to [Exhibit – Student Permission Forms Flowchart](#) to determine the form(s) that are required.
