

Consent for Use of Personal Information – Staff / Public

The [Freedom of Information and Protection of Privacy \(FOIP\) Act](#) sets controls and standards on how public bodies, such as school boards, collect, use and disclose personal information that is in their custody or under their control.

The FOIP Act requires that school boards collect personal information directly from individuals the information is about, that these individuals be provided with the legal authority for the collection, be explained the purpose of the collection and how the information will be used, and be provided a contact person should they have any questions relating to this activity.
