ADLC | Print Resources for Student Instruction (SI) Enrollments

Revised: August 18, 2020

This document is intended to assist Super Users in accessing resources for print Student Instruction (SI) enrollments in ADLC's Student Information System (SIS).

To access ADLC's resources for print SI enrollments, your school's Super User will need to enroll a student in a print SI section (course) in ADLC's Student Information System (SIS).

1. Log into the ADLC Student Information System (SIS) and make sure your **Affiliation Super User** role is selected before you begin. This can be found in the drop-down menu on the dark blue bar that runs along the screen.

2. Click on the **Courses** tab.

3. In the menu on the left-side of the screen, click **Active Courses**.

4. Click on the word **Delivery** to sort the list.

5. Click the link for the course name you would like to view.

6. In the menu on the left side, click **Download Content**.
   If no content is available, contact Partner Support to have it added.

8. Click on the resource you would like to access. A PDF document will open. Click to open the PDF.
   Note: If the PDF does not open, please check your pop-up settings in your browser.
