

This document is intended to assist Teachers with using the Teacher View/Filter in ADLC's Student Information System (SIS).

Teachers are able to display a list of pre-determined class lists under the **Enrollments** tab without having to use the **Advanced Filter** options.

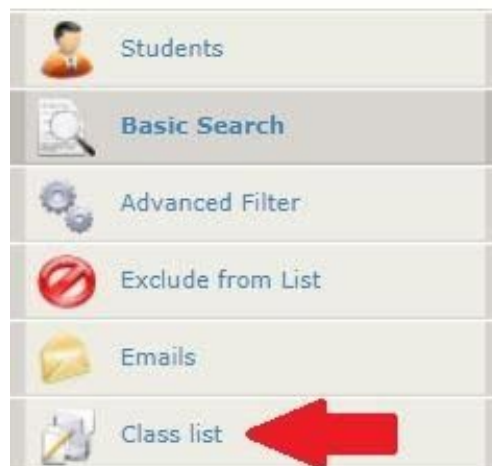

1. Log into the [ADLC Student Information System \(SIS\)](#) and make sure your **External Teacher** role is selected before you begin. This can be found in the drop-down menu on the dark blue bar that runs along the screen.

2. Click the **Enrollments** tab.

3. In the menu on the left-side of the screen, click **Class List**.

4. In the Search criteria section, select one of the options from the **Mode** drop down menu. The options are:
 - **Future Enrollments**
 - **20 Days non-starter**
 - **30 Days non-starter**
 - **New students**
 - **20 Days Stalled**
 - **30 Days Stalled**
 - **30 days to expire**
 - **One grade left**
 - **First Assignment**

5. Once you have made your selection, click the **Get Data** button.
