

When you reach the end of a quiz be sure you are ready to submit!

You can confirm all questions have been answered a couple of ways:

1. In the **Quiz navigation** area, the numbers will have a grey colour when questions are complete.

The **Quiz navigation** will also give you a quick overview of the results of your quiz.

### Quiz navigation

Show one page at a time

Finish review

Question 1 has an *orange box* that indicates that you got part of the answer correct and will receive *partial marks*.

Questions 2, 4 and 6 have a *red box* that indicates you got the questions wrong and will receive *zero marks*.

Questions 3, 5 and 6 have a *green box* that indicates you got the questions right and will receive *full marks*.

Some quizzes offer feedback placed after your response.

<input checked="" type="radio"/> d. The value of $f(x)$ is cl	<input type="radio"/> d. $x = -2$ and $x = 1$
Your answer is correct. This is the definition of a limit.	Your answer is incorrect. The graph shows breaks at $x = -$ this function without lifting the pe

or

2. If you do select **Finish attempt...** you will see in the next window the questions where the answers are saved or have not been answered yet.

Question	Status
1	Answer saved
2	Answer saved
3	Answer saved
4	Not yet answered

At the bottom of the page, you can choose to **Return to attempt** or **Submit all and finish**. Once you confirm **Submit all and finish**, you can not go back and change your answers.

Many quizzes are timed and you will see the time left on this page and in the **Quiz navigation** area.
